

Hallelujah I just love him so

Ray Charles

Let me tell you 'bout a boy I know
He is my baby and he lives next door
Every mornin' 'fore the sun comes up
He brings me coffee in my favourite cup
That's why I know, yes, I know
Hallelujah, I just love him so

When I'm in trouble and I need a friend
I know he'll go with me until the end
Everybody asks me how I know
I smile at them and say, "He told me so"
That's why I know, oh, yes I know
Hallelujah, I just love him so

Now, if I call him on the telephone
And tell him that I'm all alone
By the time I count from one to four
ALTO- I hear him (KNOCK)
on my door
In the evening when the sun goes down
When there is nobody else around
He kisses me and he holds me tight
And tells me, 'baby everything's alright'
That's why I know, oh, yes I know
Hallelujah, I just love him so

Now, if I call him on the telephone
And tell him that I'm all alone
By the time I count from one to four
ALTO- I hear him (KNOCK)
on my door

Hallelujah I just love him so

In the evening when the sun goes down
When there is nobody else around
He kisses me and he holds me tight
And tells me, 'baby everything's alright'
That's why I know, oh, yes I know

Oh Hallelujah, I just love him so
Oh oh uh oh oh Hallelujah, I just love him so
