

Branded T-shirts

HOW TO ORDER

You can order a branded T-shirt directly from [Stitch to Stitch](https://stitchtostitch.co.uk) (a small embroidery and print shop, based in Penge).

There is an option of 2 different T-shirt styles and many sizes online.

Alternatively, you can take in a T-shirt of your own with any neckline, long or short sleeved. We just ask that you please choose light grey or white as a base colour. In this case you would pay print costs only (as shown in the website).

When you register as a member, you will be given a COTH branded bag but you could also order an extra bag from Stitch to Stitch if you wish.

Please note that any purchase is made directly with Stitch to Stitch and not sold by Choir on the Hill (as per our governance, we do not make any profits from the sale).
